TRAVELING? LET US KNOW!

If you're planning a getaway, please drop Silverado Credit Union VISA Department a note! One of the best ways to help us safeguard your account while you're gone is to keep the credit union informed when you plan a trip.

Protecting you is a top priority! For this reason, Silverado Credit Union regularly reviews accounts for suspicious activity (such as out-of-town transactions). If we identify suspicious activity, we may stop service to your card until we can contact you to verify the validity of the suspicious transactions. Please make sure we have your correct contact information before leaving on your trip.

By telling us where you're planning to use your Silverado Visa® Debit or Visa® Credit Card, you can help avoid a disruption in your service. It also helps us to continue providing you with exceptional service, no matter where in the world you may be. Please remember to contact us before you leave town and provide us with a written note or call our VISA Department with the city/state or country you will be visiting with the arrival and departure dates. You can reach us by phone at (707) 965-2483 or FAX at (707) 965-0142 or mail your travel information to P.O. Box 330, Angwin, CA 94508.

Consolidating simplifies payments

Simplify your life with one low monthly payment. Consolidate your other high rate debt to one lower rate credit card. You'll have just one card to keep track of and one payment to make each month.
